## THE NATIONAL PRESIDENT

**THE COMING OF THE GREAT LANDERS ALUMNI  
ASSOCIATION & PROGRESS MADE IN THE LAST ONE  
YEAR.**

The journey towards the establishment of our Great Landers Association started as far back as around 1977 when a few of the Pioneer set notably Joseph Ayodele, John Aiterebhe, Thelma Babajide Nee Awoliyi, Karimu – Greg Ozoya (RIP), Kemi Thomas, Josephine Afolabi, nee Mensah and Arthur Abara. We were later joined by Sam Ikoku, George Egbodor, Anthony Kudehinbu, Tina Bakare - and subsequently, Anthony Odiachi, Sylvia Abdalla, Anthony Nduka RIP, John Ogunnoiki, Gregory Da Silva and a couple of others that I cannot remember now.

The few of us then were quite close to the school and were able to give prompt action to issues that required our attention.

As the years rolled by we had other members from other early sets that joined us from time to time. We were not able to have a solid group in place as most of us were still either in school and seeking employment. Our attendance were very irregular and on many occasions it seemed we had gone into oblivion but I continued to be in touch with our members and the school. At a time we were holding meetings in rotations but that did not last long as it was becoming a matter of serious competition among hosts as those who could not host were shying away.

At that time, we continued to be relevant to the school authorities as we participated in virtually all activities of our Alma Mater. A few of these included the annual Founders Day, Inter House Sports competitions etc to which we supported morally and financially – the most prominent being when the school was returned to the Catholic Mission organising the admission for the new intakes for that year. in 2002 when we joined the Old Students of other Catholic schools in the admission process for the new intakes for the new MCSS.

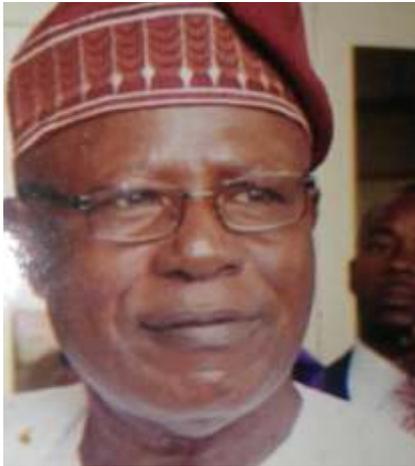

To the glory of God, the idea to create a Whatsapp Group occurred to me and it was created on 16 April, 2016 and that was the magic as the platform continued to grow each day. In those early days, Landers at home and in diaspora joined the group and on the 27 October, 2017 the first General Meeting at which the current Interim Exco was appointed was held in the school's old hall. Although we had a couple of challenges, we were able to surmount them. Our outings included:

1. Participation in MCSS'S 49th Founders Day Anniversary
2. Collaboration with the school in the planning and execution of the 50th Anniversary celebrations.
3. Holding of the first ever Grand Reunion of all Landers and establishing a legacy project – the Educational Fund
4. Above all. We have been able (under thick and thin) been able to bring all Great Landers together under one umbrella.
5. The forth coming election of national officers would be a great step taken by this exco to pave the way forward for GLAA for the future and the generations yet unborn

UPDATED REPORT FROM THE SECRETARIAT OF GREAT LANDERS ALUMNI ASSOCIATION  
PRESENTED BY: BARR SEGUN ADEWUNMI, GENERAL SECRETARY

Lander Barr. Segun Adewunmi

(A) HISTORICAL DEVELOPMENT

It is with great enthusiasm and honour that I, on behalf of the Interim National Executive officers present the updated report from the Secretariat. The idea of uniting landers under an umbrella body was conceptualised by the First Head Boy of our Alma mater, Lander Ben Adigun, the outgoing President of the Alumni Association but the idea metamorphosed into fruition on the 26<sup>th</sup> October, 2017 at an inaugural meeting of landers held at the premises of Maryland Comprehensive Secondary School, Maryland, Lagos with thirty three (33) landers in attendance. The said meeting culminated in the agreement amongst all attendees to register the name of GREAT LANDERS ALUMNI ASSOCIATION as the Umbrella body for all landers. This is without prejudice to class sets association which had hitherto been in existence by various class sets prior to the inaugural meeting referred to above.

(B) FORMATION OF INTERIM EXCO

**(C) DATA BASE FOR LANDERS**

The interim National officers in developing a data base for all landers created an -alumni data form for all landers wherein landers were required to fill in their requisite information and upload same unto the platform or and email of the Association hereinafter known as [greatlandersunited@gmail.com](mailto:greatlandersunited@gmail.com)

The interim Exco is duly aware of the various provisions and associated penalties as contained in the EU General data Protection Regulation 2018 which was passed on 25<sup>th</sup> May, 2018 and assure all landers of the utmost confidentiality of their data.

The data collection exercise an initiative of this interim Executive commenced sometime in September 2017 right through to the 49<sup>th</sup> Anniversary celebration of the school which took place on 26<sup>th</sup> and 27<sup>th</sup> January, 2018. At the 49<sup>th</sup> Anniversary Celebration which took place on the 26<sup>th</sup> January, 2018, the interim Exco successfully gathered information for 56 landers vide data base forms which cut across the first set (1973) up to 1996 set. On the 27<sup>th</sup> January, 2018, the EXCO gathered additional 51 names thereby increasing the data base to 107 during the 49<sup>th</sup> Anniversary celebration, in addition to earlier information from about 60 landers who had uploaded their information on the platform and the alumni email. Thereby making a total of 167.

Advertisements were made in the national dailies and paid for by a member of the association calling on all Landers nationwide to register with the Alumni.

The focused and continued drive by the Exco for a comprehensive and expansive data base paid off, and as at 19<sup>th</sup> January, 2019, the present number of landers in our data base which comprises both Landers in Nigeria and diaspora stands at 1,127 members and we hope that the incoming Executive officers will intensify their effort in increasing the data base of landers beyond the present number to an enviable number in the not too distant future.

**(D) NATIONAL DUES REGISTER**

Consequent upon the above and by virtue of the Great landers Alumni Constitution, a National Dues register was created by the outgoing Executive (APPENDIX A). We enjoin the incoming Executive to update the register every month and post on the WhatsApp platform in addition to sending same to all the email addresses in our data base.

**(E) THE CONSTITUTION OF GREAT LANDERS ALUMNI ASSOCIATION**

As regards the registration of GREAT LANDERS ALUMNI ASSOCIATION with the Corporate Affairs Commission (C.A.C) in Abuja, a Constitutional Drafting Committee (C.D.C ) was put in place ably led by Lander Kenny Apampa with membership which includes but not limited to the following landers:

The Logo was unveiled at the Gala night during the Grand Reunion of the Association. The motto of the Association is 'GREAT LANDERS UNITED FOREVER'

(H) GREAT LANDERS EDUCATIONAL FUND

The legacy project by the outgoing Interim Executive is the 'Great Landers Educational Fund'. It is the baby of this Alumni. Our vision is to envision a world where every child regardless of background enjoys the highest quality of Education that propels them towards the attainment of a fulfilled and deserving life. We remember with nostalgia how Mr. Omoera a past Principal of MCSS scouted for the best young footballers and athletes in the country and admitted them on scholarship to the school. This propelled the school into prominence during the 70s in the areas of sports.

Likewise the Great Landers Education Fund will scout for brilliant, gifted and talented children that will be solution providers in their generation to the myriad of challenges in the world but do not have the means of attending a great and good school like MCSS. In addition to this Alumni members, families and sets would be requested to key into the vision by providing scholarships to current and incoming students in specific areas of interest. This can be a one time scholarship, continuous yearly scholarship or scholarship for a set period of time. This category of scholarship will be named after the Donors.

The GLEF Committee is chaired by Lander Angela Ajala. Other members include: Landers Adedamola Oladeinde, Evelyn Ofor, Francis Adelaja, Ruth Tilewa Mateola, Toju Boyo, Ajoke Gbeliyi with Ben Adigun and Kehinde Apampa as Ex Officio members.

The start off date is scheduled for the 2019/2020 Academic session.

(I) 49<sup>TH</sup> ANNIVERSARY CELEBRATION OF THE SCHOOL.

The Carpet in the school hall which was thread borne was replaced by the Alumni.

(J) ALUMNI 50TH ANNIVERSARY GIFT TO THE SCHOOL/ SCHOOL PROJECT

The Alumni brainstormed on the appropriate gift to give to the school for its 50<sup>th</sup> Anniversary. After so much deliberations by members it was unanimously agreed that we give a cash donation towards the completion of an ongoing Multipurpose building which was under construction by the school by the school authorities. A 100 million project appeal fund was launched. The project committee was chaired by Landers Soji Adekogbe and Agnes Taylor. Donations were made through 'GO FUND ME', direct credit to the Alumni account and direct credit to the school account by members of the Association. We are pleased to note that we met and surpassed our target when we add up all the donations together. The total donation by landers was approximately in the sum of one hundred and eleven million Naira (N111,000,000).

The following donors contributed one million and above and their names are to be engraved on a plaque embedded in the building the Alumni has donated toward:

Both Events took place between the 19<sup>th</sup> and the 26<sup>th</sup> of January 2019 with a large turnout of members which included over 30 members from Diaspora. Indeed it was an event that lingers in the memory of Landers and one to be remembered for a long time.

# GREAT LANDERS @ 49<sup>th</sup> ANNIVERSARY CELEBRATION OF MCSS

## CHAIRMAN 50<sup>TH</sup> ANNIVERSARY AND REUNION COMMITTEE'S REPORT

### INTRODUCTION

My Dear Fellow Great Landers may I congratulate us all once more on the 50th Anniversary of our Alma Mater and the very First Great Reunion of our Alumni Association.

It was a very challenging and interesting task to plan and execute the ceremonies. The planning took place over a period of 11 months. It was an honour to serve in this capacity and I am thankful to both the Interim Executives and the Great Landers in general for the opportunity and support given me and the rest of the Planning Committee.

I also thank the members of the Interim Executive, Members of the Planning Committee and every other Great Lander who helped in making all our plans a reality through their passion, hard work, relentless and selfless service.

I acknowledge the grace of God at every point and thank Him for the remarkable success recorded in spite of the challenges we faced.

### PLANNING

All Sets represented were asked to bring in two Representatives each to make up the Planning Committee. Many responded but some did not respond. We had thirty members registered on a dedicated whatsapp platform. The inaugural meeting was held on the 25th of February 2019 in the School Hall with only six members in attendance. Members were asked to carry their Set members along regarding the planning and implementation of all programs lined up for the Anniversary and Reunion Gala Night by communicating ideas and getting feedback and/or suggestions from as many Landers as possible.

After this, several meetings, physical as well as online, were held to draw up programs, plan and implement activities. Joint meetings were also held with Representatives of the School's Planning Committee.

A program was eventually drawn up to merge the activities of the School and the Association for the period. (See attached program of events).

The Planning Committee set out from the beginning to make the activities of the 50<sup>th</sup> Anniversary and our 1st Grand Reunion positively memorable; a platform to reconnect old School/Class Mates in a most conducive atmosphere.

To effect planning and implementation the following sub-committees were created for the following:

- Venue and Decorations
- Catering
- Drinks, Cocktails and Red Carpet
- Security
- Media
- Registration
- Brochure
- Awards
- Souvenirs and Memorabilia
- Ushering
- Reunion Hotel Accommodation

The Planning Committee and the Interim Executive members also had some joint meetings with various Vendors to decide on the Vendors to engage for the different aspects of the Reunion Gala Night.

The different talks, debates, quizzes, interaction with the students and other activities were very interesting and unforgettable.

The Health and Business talks in particular were highly educative, as were the Book Reviews.

The Novelty match was awesomely fun filled!

The Gala Night was a huge success as our main objective of reconnecting old School/Class mates was achieved. There was good music, friends reunited and everyone had the opportunity to let down their hair in a convivial atmosphere.

There were over two hundred and fifty Attendees.

The overall feedback we received was overwhelmingly positive with many commenting favorably on the experience and looking forward to another reunion soon.

## RECOMMENDATIONS

I will like to make the following recommendations for the future based on feedback and personal observations.

- Meetings for planning should be punctually and well attended by Committee Members.
- More Sets should get involved at the Committee level.
- Committee and subcommittee members should be more forthcoming in fulfilling their roles and responsibilities.
- Various sets should endeavor to send representatives that will effectively perform their roles, serving as the link between the Planning Committee and members generally for better dissemination of information both ways.
- The Catering should be better planned and executed as some tables were skipped in the course of service.
- The Official part of the program should not be too long to allow for more time for the Social part.
- Each set should be effectively involved in the nominations for awards.
- More sponsorship should be sought for especially from Corporate Organizations in terms of funding, souvenirs etc. We were only able to get few items as Souvenirs from DHL and MTN and so only few Attendees were given.
- Icons in Sports, Quizzes, Debates and other school activities should be well recognized.
- Members should endeavor to be more responsive especially when information is requested for to facilitate planning and execution of the various aspects of the celebration.
- Payments for different purposes should be well defined when made into the Association's accounts as failure to do so can and has caused a lot of problems.

Please note that the above are not an exhaustive list of recommendations/observations.

Thank you.  
UPLANDERS!
